Forecast for Friday 07 Aug 2020

Weather: Some brightness in the morning, especially in the east. Outbreaks of rain will spread east in the afternoon, some of this heavy and perhaps with an isolated thunderstorm. Drying up from the west in the evening.

Chance of cloud free mountain/hill tops above 800m: 50%. Low cloud between 500 and 700 metres across the southwest of the region for most of the day, this becoming more extensive by early afternoon although ranges northeast of Aviemore may see little in the way of cloud.

Visibility: Mostly good, occasionally becoming hazy in rain.
